Weekly Meditation from Home

Yoga nidra (yoga sleep) is a spoken word guided meditation that promotes a sense of deep calm while enhancing awareness. The meditation class follows the 10 stage iRest™ protocol. During class Veterans:

- Discover a heartfelt mission & purpose and establish a goal for the meditation.
- Establish and connect with an inner “safe haven”.
- Explore the connection between body sensations, emotions, thoughts and beliefs with an awareness of how thoughts and emotions affect the body and mind.
- Experience the inner joy that is always present and develop a deeper awareness.
- Connect with an inner strength & resiliency in order to more appropriately “respond” rather than “react” to situations in life.

Veterans may also benefit from the restful sleep-like state achieved during the meditation.

Join each week – no class limit.
