WRIISC PROVIDER ACCREDITED EDUCATION COLLECTIONS:

Accredited Curricula Only, no Descriptions

To facilitate VA provider/staff access and uptake of learning, we have organized our available curricula into “Collections.” Each collection has also been given a stylized “thumbnail” which will appear in TMS to again increase both awareness and ease of search/access.

Notes:
1) The On-Demand E-Learning is listed as its own collection. Appropriate modules are also listed as part of other relevant collections. Webinar curricula is listed in each collection accordingly: educational level > most current.
2) Once a webinar is hosted “live”, curriculum is available on WRIISC SharePoint site until it completes “enduring” accreditation process (which takes approximately 3 months) at which time appropriate TMS links will be added to the document.*
3) Archived non-accredited curricula available in SharePoint (w/o recording) due to removal of Flash outdated technology.**

WRIISC-HOME ACCREDITED COLLECTIONS

Note: All accredited curricula offer one (1) CEU of contact hour credit unless otherwise noted.

• **COLLECTION 1: On-Demand Curricula in Post-Deployment Health**
  (Essential post-deployment health curriculum which equips providers and community affiliates with the critical knowledge needed to address Veterans unique health concerns and provide recommendation for Veteran care and management).

• **COLLECTION 2: Airborne Hazards**
  (Provides clinicians with the knowledge needed to identify and understand deployment-related airborne and burn-pit hazard concerns of Veterans).

• **COLLECTION 3: Exposures**
  (Increases knowledge on how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members).

• **COLLECTION 4: Gulf War Illness**
  (Provides the knowledge needed to identify, diagnose, manage and appropriately treat Gulf War illness in Veterans and to become familiar with and be able to apply the VA-DoD Clinical Practice Guideline for Chronic Multi Symptom Illness as it can be applied to Gulf War Illness).

• **COLLECTION 5: Chronic Multi-symptom Illness**
  (Provides insight into chronic multi-symptom illness including the incidence in civilian and military populations, defining characteristics and the latest resources and management strategies to consider for care).

• **COLLECTION 6: Whole Health/Integrative Functional Medicine**
  (Increases knowledge about functional and integrative medicine and provides tools on various approaches that can improve Veteran care).

• **COLLECTION 7: Cognitive & Psychological Health**
  (Provides insight about Veteran combat experiences, mental health issues and therapy approaches and services to support Veteran care).

• **COLLECTION 8: Special Topics**
  (Encompasses a range topics, perspectives and recommendations to improve Veteran care).
COLLECTION 1: On-Demand Curricula in Post-Deployment Health

Each On-Demand Module offers 1.5 CEUs’ of contact hour credits.

MODULE 1
Assessing Deployment Related Environmental Exposures
TRAIN: ID: 1070234
TMS: ID: 33195
Intends to increase clinician knowledge and to inform learners about how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members.

MODULE 2
Airborne Hazards
TRAIN: ID: 1070422
TMS: ID: 33405
Provides clinicians with the knowledge needed to identify and understand deployment-related airborne hazards concerns of Veterans.

MODULE 3
Gulf War Illness
TRAIN: ID: 1074205
TMS: ID: 34572
Provides health care providers with the knowledge needed to identify, diagnose, manage and appropriately treat Gulf War illness in Veterans and to become familiar with and be able to apply the VA-DoD Clinical Practice Guideline for Chronic Multi Symptom Illness as it can be applied to Gulf War Illness.

MODULE 4
Chronic Multisymptom Illness
TRAIN: ID: 1084440
TMS: ID: 38029
Offers healthcare professionals an opportunity to gain insight into chronic multisymptom illness including the incidence in civilian and military populations, defining characteristics and the latest resources and management strategies to consider for care.

MODULE 5:
Depleted Uranium and Toxic Embedded Fragments
TRAIN: ID: 1087697
TMS: ID: 39365
Provides health care professionals with knowledge about the current research on health effects in Depleted Uranium or DU-exposed (Pronounced D-U) populations, information about enrolling Veterans with suspected DU or toxic embedded fragments (TEF) fragments into VA registry programs, and guidance about the clinical approach to Veterans with TEF.
COLLECTION 2: Airborne Hazards

**MODULE 2**

Airborne Hazards

**TRAIN:** ID: 1070422

TMS: ID: 33405

Provides clinicians with the knowledge needed to identify and understand deployment-related airborne hazards concerns of Veterans.

Eligible for 1.5 CEUs' of contact hour credits

**INTRODUCTION LEVEL COURSES**

**INTERMEDIATE LEVEL COURSES**

- **WRIISC-HOME Respiratory Issues of Returning Combat Veterans** (March 9, 2021):
  
  TMS: ID# 44408 TRAIN: ID#1098250

  Michael J. Falvo, PhD, RCEP – NJ WRIISC; Anays Sotolongo, MD – NJ WRIISC

- **WRIISC-HOME The Airborne Hazards & Open Burn Pit Registry Follow-up Exam: What We've Learned** (July 14, 2020):
  
  TMS: ID# 43714 TRAIN: ID#1098312

  Michael J. Falvo, PhD, RCEP – NJ WRIISC; Eric Shuping, MD, MPH, FAAFP – HOME; Anays Sotolongo, MD - NJ WRIISC
COLLECTION 3: Exposures

**MODULE 1**
Assessing Deployment Related Environmental Exposures

**TRAIN:** ID: 1070234  
**TMS:** ID: 33195

Intends to increase clinician knowledge and to inform learners about how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members.

Eligible for 1.5 CEUs’ of contact hour credits

---

**MODULE 5:**
Depleted Uranium and Toxic Embedded Fragments

**TRAIN:** ID: 1087697  
**TMS:** ID: 39365

Provides health care professionals with knowledge about the current research on health effects in Depleted Uranium or DU-exposed (Pronounced D-U) populations, information about enrolling Veterans with suspected DU or toxic embedded fragments (TEF) fragments into VA registry programs, and guidance about the clinical approach to Veterans with TEF.

Eligible for 1.5 CEUs’ of contact hour credits

## INTRODUCTION LEVEL COURSES**

- **WRISC/HOME Fibromyalgia and Veteran Care** *(March 10, 2020)*:  
  **TMS: ID: 43889**
  Omowunmi Osinubi, MD, M.Sc., MBA, FRCA, ABIHM – NJ WRIISC; Edward Shadiack, DO – NJ WRIISC

## INTERMEDIATE LEVEL COURSES

- **WRISC-HOME The Effectiveness of Health Coaching: An Intervention for Veterans with Multi-symptom Illness** *(August 11, 2020)*:  
  **TMS:ID# 43743, TRAIN:ID:1098323**
  Trisha Nakano Bhagen CNS, NBC-HWC, MS, MA – DC WRIISC; Walt Jachimowicz MSN, RN, CNL – DC WRIISC; Keri Maloney NBC-HWC, MA – DC WRIISC

- **WRISC-HOME Results of a Clinical Trial of Problem-Solving Treatment for GWI** *(June 9, 2020)*:  
  **TMS: ID# 43769**
  Lisa McAndrew, PhD – NJ WRIISC; David Litke, PhD - NJ WRIISC
COLLECTION 6: Whole Health/Integrative Functional Medicine

**INTRODUCTION LEVEL COURSES**

- **Military Cultures- Experience. Reintegration and Whole Health**  
  (July 28, 2017):  
  **TMS: ID# 33979  TRAIN: ID# 1072371**  
  Carol Ramsey-Lucas, Chaplain - Trauma Services (DCVAMC); Jennifer Cho, MSW - Trauma Services (DCVAMC)

- **WRIISC-HOME Impact of Salt, Exercise and Hydration on Cerebral Vascular Function**  
  (July 13, 2021):  
  Jennifer Jennings, MD: CA WRIISC; Kamila Migdal, BA, PhD: DC WRIISC

**INTERMEDIATE LEVEL COURSES**

- **Food and Cognition: The Interplay of Nutrition and Neuroscience**  
  (November 12, 2019):  
  **TMS: ID: 43930  TRAIN ID#1098315**  
  Trisha Nakano Bhagen, CNS, NBC-HWC, MS, MA. - DC WRIISC; Kyle J. Jaquess, PhD - DC WRIISC

- **A Medical Nutrition Therapy Approach to Post-Deployment GI Health Management**  
  (October 29, 2019):  
  **TMS: ID 41837**  
  Lindsey Proctor, MS, RDN, LDN - CA WRIISC
INTRODUCTION LEVEL COURSES**

- **WRIISC-HOME Advances in Brain Stimulation Therapies to Boost Veteran Mental Health (November 10, 2020):**
  TMS: ID# 43511 TRAIN: ID# 1096332
  Maheen Mausoof Adamson, PhD - VA Palo Alto HCS Defense and Veterans Brain Injury Center (DVBIC); Jennifer Jennings, MD - CA WRIISC; Michelle Madore, PhD - VA Palo Alto HCS National Clinical TMS Program

- **HOME/WRIISC: Gender Differences in Symptoms and Functional Outcomes in Veterans with TBI (February 11, 2020):**
  TMS:ID# 43712 TRAIN:ID:1098320
  Maheen Mausoof Adamson, PhD - VA Palo Alto HCS Defense and Veterans Brain Injury Center (DVBIC); Jennifer Jennings, MD - CA WRIISC

- **Psychosocial Stressors, Strength and Resilience of Combat Veterans (January 14, 2020):**
  TMS: ID: 43710 TRAIN:ID:1098329
  Lisa Pickett, LCSW - NJ WRIISC; Rachel Stewart, PhD, LCSW - DC WRIISC

INTERMEDIATE LEVEL COURSES

- **WRIISC-HOME Military Sexual Trauma: Past, Present and Future (September 8, 2020):** TMS: ID# 43756 TRAIN ID#1098237
  Leah N. Eizadi, MSN, FNP-C-CA WRIISC; Julie C Weitlauf, PhD - CA WRIISC

- **WRIISC-HOME Deployment-Related Mental Health and Neurocognitive Concerns (April 20, 2020)**
  TMS: ID: 43888 TRAIN: ID#1098326
  Ryan Brewster, PhD; KellyMcCarron, PsyD; Marina Veltkamp, PhD

- **Food and Cognition: The Interplay of Nutrition and Neuroscience (November 12, 2019):**
  TMS: ID: 43930 TRAIN ID#1098315
  Trisha Nakano Bhagen, CNS, NBC-HWC, MS, MA, - DC WRIISC; Kyle J. Jaquess, PhD - DC WRIISC
INTRODUCTION LEVEL COURSES**

- **WRIISC-HOME Communication about Exposures & Deployment Related Health Concerns** *(February 9, 2021):*
  
  TMS: ID# 44119 TRAIN ID# 1098233

  Lisa McAndrew, PhD – NJ WRIISC; Susan L. Santos, PhD, MS – NJ WRIISC*

  [https://bcove.video/2MKjTha*]

- **WRIISC-HOME Mobile Health Apps to Supplement Care** *(January 12, 2021):*  
  
  TMS: ID# 43946 TRAIN ID# 1098251

  Timothy J. Avery, PsyD - NCPTSD, Dissemination & Training Division (Menlo Park)

- **Military Cultures - Experience. Reintegration and Whole Health** *(July 28, 2017):*  
  
  TMS: ID# 33979; TRAIN: ID# 1072371

  Carol Ramsey-Lucas, Chaplain - Trauma Services (DCVAMC); Jennifer Cho, MSW - Trauma Services (DCVAMC)

INTERMEDIATE LEVEL COURSES

- **WRIISC-HOME Institutional Betrayal & Courage in Addressing Veteran Exposure Concerns** *(October 27, 2020):*
  
  TMS: ID# 43373

  Kelly McCarron, PsyD - NJ WRIISC; Omowunmi Osinubi, MD, MSc, MBA, FRCA, ABIHM, IFM-CP - NJ WRIISC; Michelle Robertson, MD, MPH - NJ WRIISC; Susan L Santos, PhD, MS - NJ WRIISC

- **WRIISC-HOME Military Sexual Trauma: Past, Present and Future** *(September 8, 2020):*
  
  TMS: ID# 43756 TRAIN ID# 1098237

  Leah N. Eizadi, MSN, FNP-C - CA WRIISC; Julie C Weitlauf, PhD - CA WRIISC

OTHER EDUCATION INITIATIVES

- **Agent Orange: What You Need to Know to Care for Vietnam Era Veterans** *(January 23, 2021):*
  
  TMS ID#: 1096687 TRAIN ID#: VA 44031

  This webinar addresses knowledge gaps primary care providers report needing for their aging Vietnam Era Veteran patients on Agent Orange military exposures. Participants learn about Agent Orange and its associated health conditions to screen for, to inform and improve Veterans overall health outcomes.
