WRIISC PROVIDER AVAILABLE EDUCATION COLLECTIONS:

Accredited & Non-Accredited Curricula _ no Descriptions

To facilitate VA provider/staff access and uptake of learning, we have organized our available curricula into “Collections.” Each collection has also been given a stylized “thumbnail” which will appear in TMS to again increase both awareness ease of search/access.

Notes:
1). The On-Demand E-Learning is listed as its own collection. Appropriate modules are also listed as part of other relevant collections. Webinar curricula is listed in each collection accordingly: educational level > most current.
2) Once a webinar is hosted “live”, curriculum is available on WRIISC SharePoint site until it completes “enduring” accreditation process (which takes approximately 3 months) at which time appropriate TMS links will be added to the document.*
3) Curriculum not accredited as enduring, is only accessible on SharePoint.**
4) Archived non-accredited curricula available in SharePoint (w/o recording) due to removal of Flash outdated technology.***

WRIISC-PDHS ACCREDITED COLLECTIONS

Note: All accredited curricula offer one (1) CEU of contact hour credit unless otherwise noted.

- COLLECTION 1: On-Demand Curricula in Post-Deployment Health
  (Essential post-deployment health curriculum which equips providers and community affiliates with the critical knowledge needed to address Veterans unique health concerns and provide recommendation for Veteran care and management).

- COLLECTION 2: Airborne Hazards
  (Provides clinicians with the knowledge needed to identify and understand deployment-related airborne and burn-pit hazard concerns of Veterans).

- COLLECTION 3: Exposures
  (Increases knowledge on how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members).

- COLLECTION 4: Gulf War Illness
  (Provides the knowledge needed to identify, diagnose, manage and appropriately treat Gulf War illness in Veterans and to become familiar with and be able to apply the VA-DoD Clinical Practice Guideline for Chronic Multi Symptom Illness as it can be applied to Gulf War Illness).

- COLLECTION 5: Chronic Multi-symptom Illness
  (Provides insight into chronic multi-symptom illness including the incidence in civilian and military populations, defining characteristics and the latest resources and management strategies to consider for care).

- COLLECTION 6: Whole Health/Integrative Functional Medicine
  (Increases knowledge about functional and integrative medicine and provides tools on various approaches that can improve Veteran care).

- COLLECTION 7: Cognitive & Psychological Health
  (Provides insight about Veteran combat experiences, mental health issues and therapy approaches and services to support Veteran care).

- COLLECTION 8: Special Topics
  (Encompasses a range topics, perspectives and recommendations to improve Veteran care).

WRIISC NON-ACCREDITED COLLECTION

- COLLECTION 9: Podcasts
  (A series on post-deployment health and useful patient-provider communication tools for providers and Veterans alike).
COLLECTION 1: On-Demand Curricula in Post-Deployment Health

Each On-Demand Module offers 1.5 CEUs’ of contact hour credits.

**MODULE 1**
Assessing Deployment Related Environmental Exposures
TRAIN: ID: 1070234
TMS: ID: 33195
Intends to increase clinician knowledge and to inform learners about how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members.

**MODULE 2**
Airborne Hazards
TRAIN: ID: 1070422
TMS: ID: 33405
Provides clinicians with the knowledge needed to identify and understand deployment-related airborne hazards concerns of Veterans.

**MODULE 3**
Gulf War Illness
TRAIN: ID: 1074205
TMS: ID: 34572
Provides health care providers with the knowledge needed to identify, diagnose, manage and appropriately treat Gulf War illness in Veterans and to become familiar with and be able to apply the VA-DoD Clinical Practice Guideline for Chronic Multi Symptom Illness as it can be applied to Gulf War Illness.
MODULE 4
Chronic Multi-symptom illness
TRAIN: ID: 1084440
TMS: ID: 38029
Offers healthcare professionals an opportunity to gain insight into chronic multisymptom illness including the incidence in civilian and military populations, defining characteristics and the latest resources and management strategies to consider for care.

MODULE 5:
Depleted Uranium and Toxic Embedded Fragments
TRAIN: ID: 1087697
TMS: ID: 39365
Provides health care professionals with knowledge about the current research on health effects in Depleted Uranium or DU-exposed (Pronounced D-U) populations, information about enrolling Veterans with suspected DU or toxic embedded fragments (TEF) fragments into VA registry programs, and guidance about the clinical approach to Veterans with TEF.

COLLECTION 2: Airborne Hazards

MODULE 2
Airborne Hazards
TRAIN: ID: 1070422
TMS: ID: 33405
Provides clinicians with the knowledge needed to identify and understand deployment-related airborne hazards concerns of Veterans.

Eligible for 1.5 CEUs’ of contact hour credits
INTRODUCTORY LEVEL COURSES**

- **VA’s Airborne Hazards and Burn Pits Center of Excellence: Evaluating Dyspnea** (September 24, 2019):
  Mike Falvo, PhD – NJ WRIISC; Anays Sotolongo, MD - NJ WRIISC
  https://bcove.video/2LRL7yf**

INTERMEDIATE LEVEL COURSES

- **WRIISC-PDHS Respiratory Issues of Returning Combat Veterans** (March 9, 2021):
  TMS: ID# 44408
  Michael J. Falvo, PhD, RCEP – NJ WRIISC; Anays Sotolongo, MD – NJ WRIISC

- **WRIISC-PDHS The Airborne Hazards & Open Burn Pit Registry Follow-up Exam: What We’ve Learned** (July 14, 2020):
  TMS: ID# 43714
  Michael J. Falvo, PhD, RCEP – NJ WRIISC; Eric Shuping, MD, MPH, FAAFP – PDHS; Anays Sotolongo, MD - NJ WRIISC

COLLECTION 3: Exposures

**MODULE 1**: Assessing Deployment Related Environmental Exposures

**TRAIN**: ID: 1070234
**TMS**: ID: 33195
Intends to increase clinician knowledge and to inform learners about how to recognize the role and importance of deployment related exposure assessment, identify steps for determining deployment related environmental exposures, provide available post deployment health resources, and describe approaches to communicating deployment related exposure issues to Veterans, their caregivers, and their family members.

**Eligible for 1.5 CEUs’ of contact hour credits**

**MODULE 5**: Depleted Uranium and Toxic Embedded Fragments

**TRAIN**: ID: 1087697
**TMS**: ID# 39365
Provides health care professionals with knowledge about the current research on health effects in Depleted Uranium or DU-exposed (Pronounced D-U) populations, information about enrolling Veterans with suspected DU or toxic embedded fragments (TEF) fragments into VA registry programs, and guidance about the clinical approach to Veterans with TEF.

**Eligible for 1.5 CEUs’ of contact hour credits**
**INTRODUCTORY LEVEL COURSES***

- **Garrison Exposures and Emerging Health Concerns Dealing with Polyfluoroalkyl Substances (PFAS) (April 9, 2019):**
  Terra Vincent, PhD - PDHS; Omowunmi Osinubi, MD - NJ WRIISC; Susan Santos, PhD, MS – NJ WRIISC [https://bcove.video/3cZwZy8**

- **Introduction to the National Environmental Health Program - Relevance to Veteran Care (November 27, 2018):**
  Jerrold Flyer, MD, MA – Boise VAMC; Sandra Gracia-Lopez, MD, DABNM, DABNC – VISN 8; Peter D. Rumm, MD, MPH – PDHS; Shanna Smith, DrPH, MPH - PDHS; Rudy Tacoronti, MD, MPH, CMRO, CDME, ACME – Atlanta VAMC; Douglas Turner, MSA, MCP, MCSA, MCSE – Pittsburgh VAHS [https://bcove.video/389lGTh**

- **Agent Orange and Vietnam Veterans (July 17, 2018):**
  Marybeth Heffernan, MSN, RN, APN-C - NJ WRIISC; Michelle Prisco, MSN, ANP-C – DC WRIISC; Peter Rumm, MD, MPH – PDHS [https://bcove.video/3nmW7oj**

- **Depleted Uranium Exposures and Embedded Metal Fragments – What Providers Need to Know (February 6, 2018):**
  Melissa McDiarmid, MD, MPH, DABT – Baltimore VAMC; Joanna Gaitens, PhD, MS, MPH, RN – VA Toxic Embedded Fragment Surveillance Center [https://bcove.video/2JXmmn1**
INTERMEDIATE LEVEL COURSES

- WRIISC/PDHS Science and Policy Updates: Vietnam, GW 1 Vets & their Descendants (May 12, 2020):
  TMS: [ID# 43507](#)
  Michele Robertson, MD, MPH – NJ WRIISC; Peter D. Rumm, MD, MPH – PDHS

- Chemical Warfare Agents and Weaponized Toxic Industrial Chemical Exposure (December 10, 2019):
  TMS: [ID# 42215](#)
  Presenter: Eric Shuping, MD, MPH, FAAFP – PDHS

- Post Deployment Health Services: Epidemiology Research Update (July 16, 2019):
  William Joel Culpepper II, PhD, MA – PDHS; Aaron Schneiderman, PhD, MPH, RN – PDHS [https://bcove.video/3aalN3K**](#)

Eligible for 1.5 CEUs’ of contact hour credits
COLLECTION 4: Gulf War Illness

**MODULE 3**
Gulf War Illness
**TRAIN: ID: 1074205**
**TMS: ID# 34572**
Provides health care providers with the knowledge needed to identify, diagnose, manage and appropriately treat Gulf War illness in Veterans and to become familiar with and be able to apply the VA-DoD Clinical Practice Guideline for Chronic Multi Symptom Illness as it can be applied to Gulf War Illness.

Eligible for 1.5 CEUs’ of contact hour credits

**INTRODUCTORY LEVEL COURSES***
- **Gulf War Illness and Pain (June 11, 2019):**
  Peter Bayley, PhD – CA WRIISC; Louise Mahoney, MS, RYT, C-IAYT – CA WRIISC [https://bcove.video/34cO5a4]**

**INTERMEDIATE LEVEL COURSES**
- **WRIISC-PDHS The Effectiveness of Health Coaching: An Intervention for Veterans with Multi-symptom Illness (August 11, 2020):**
  **TMS: ID# 43743 TRAIN:ID:1098323**
  Trisha Nakano Bhagen CNS, NBC-HWC, MS, MA – DC WRIISC; Walt Jachimowicz MSN, RN, CNL – DC WRIISC; Keri Maloney NBC-HWC, MA – DC WRIISC

- **WRIISC-PDHS Results of a Clinical Trial of Problem-Solving Treatment for GWI (June 9, 2020):**
  **TMS: ID# 43769**
  Lisa McAndrew, PhD – NJ WRIISC; David Litke, PhD - NJ WRIISC

- **WRIISC/PDHS Science and Policy Updates: Vietnam, GW 1 Vets & their Descendants (May 12, 2020):**
  **TMS: ID# 43507**
  Michele Robertson, MD, MPH – NJ WRIISC; Peter D. Rumm, MD, MPH – PDHS

Eligible for 1.5 CEUs’ of contact hour credits
