WRIISC PROVIDER ACCREDITED EDUCATION COLLECTIONS:

Accredited Curricula Only- no Descriptions

To facilitate VA provider/staff access and uptake of learning, we have organized our available curricula into “Collections.” Each collection has also been given a stylized “thumbnail” which will appear in TMS to again increase both awareness ease of search/access.

Notes:
1) The On-Demand E-Learning is listed as its own collection. Appropriate modules are also listed as part of other relevant collections. Webinar curricula is listed in each collection accordingly: educational level > most current.
2) Once a webinar is hosted “live”, curriculum is available on WRIISC SharePoint site until it completes “enduring” accreditation process (which takes approximately 3 months) at which time appropriate TMS links will be added to the document.*
3) Archived non-accredited curricula available in SharePoint (w/o recording) due to removal of Flash outdated technology.**
